TALES FROM THE CRYPTKEEPER

WHILE THE CATS AWAY AND NATURE

W O N D E R

Welcome, boils and ghouls!

Your fiendish friend CRYPTKEEPER here. I'll be your ghastly guide to a nightmarish medley of spine-tingling stories and howlingly horrific animated fun! But beware! Once you get started, there's no telling what you'll unearth in my... TALES FROM THE CRYPTKEEPER!

WHILE THE CATS AWAY

After an awesome, new dirt bike captures the imagination of brothers Dwight and Stu, they hatch a plan to make some bike-buying cash. Sneaking into a creepy old mansion, they look for something to steal - and stir up a haunted house-full of werewolves, monsters vampires and zombies!

NATURE

On a family picnic, Rick and Teddy's idea of a good time is tormenting an any hill - until a bizarre anti-magnifying ray shrinks them down to the size of a you-know-what! After fending off the hungry ants, the two tiny brothers finally befriend the insects in time to face an even bigger peril: their gigantic "little" sister!
