

# NextCustomer

**NextCustomer owns and operates leading events and publications across the online customer acquisition spectrum. We help our customers find their next customer.**

.....

The premier event for the online lead generation industry. Launched in 2008, LeadsCon has become the must attend event for lead buyers, lead sellers, and technology companies as they seek to grow their respective businesses.

Visit: [LeadsCon.com](http://LeadsCon.com)

Hardly any sector has seen the growth that the daily deal space has, and Daily Deal Summit is the one place to meet the innovators and leaders that are transforming customer acquisition.

.....

If it takes place in the daily deal space, NextDailyDeal covers it, a news, education, and some of the best proprietary research to our readers.

Visit: [NextDailyDeal.com](http://NextDailyDeal.com)

.....

Providing news, thought leadership, and access to hard to find information, NextLead keeps those interested in online lead generation with concise and valuable stories from across the web.
